# TANZANIAN CHILDREN'S FUND

# Who We Are

## Mission

Creating a home for children • Transforming communities • Building futures in Tanzania

## Core Principles

Children first, last and forever

Compassion to all

Sustainability through responsible growth

Collaboration unlocks potential

Honesty, accountability, and transparency

## Model

A Forever  
Family

High Quality  
Education

Free, Accessible  
Medical Care

Economic  
Opportunities

# A Letter From Our Executive Director

Friends,

2020 was a heartbreaking year. Together we faced uncertainty, fear, injustice, economic hardship and unprecedented loss. Reflecting on all that we experienced over the course of 2020, the most valuable lesson I learned was to always find the light, even on the darkest of days.

For us at the Tanzanian Children's Fund, that light was the determination and drive of our children who graduated from post-secondary school. It was Esau's bright smile as he rode his new bike during school break. It was the joy and laughter of 38 children singing their ABC's as they participated in our Early Childhood Care and Education Program. It was the pride that radiated from a local mother who was able to put food on the table for her family despite the tough economic circumstances.

After the challenges of 2020, it is hard to feel certain about anything. However, witnessing how our supporters, volunteer alumni and extended TCF family showed up for us during such a difficult year, I am confident that our future will be even brighter.

With gratitude,

Peter Mmassy  
Executive Director

# An Innovative Approach

TCF recognizes that poverty is a complex challenge that often spans across generations. In order to address this, we have developed a holistic, locally-led solution to provide a path to a brighter future for a community of 10,000.

We address all sides of the poverty puzzle by providing quality education, access to compassionate medical care, economic opportunity, and a home for vulnerable children. In order to make a meaningful lasting impact, TCF is committed to working in partnership with our local community to ensure we are providing all the tools and systems that they need and deserve.

**2,300 students**

received masks to help prevent the spread of COVID-19

**160+ Sponsors**

donated towards holiday and birthday celebrations to ensure special moments continued

**3,553 patients**

treated at our Rural Community Health Clinic

# 2020 At A Glance

**38 children**

enrolled in our Early Childhood Care and Education Program

**147 children**

supported by RVCV daily

**1,000 students**

enrolled at our partner schools received preventative health screenings

Gyetighi Primary School ranked in the **top 3%** of primary schools in the nation

Oldeani Secondary School **ranked number 2** in the district

**150+ Zoom Meetings**

were held to connect with staff and supporters

**730 local small businesses**

were supported by our Rifty Economic Advancement Program (REAP)

# Rift Valley Children's Village

We provide a loving forever family and permanent home to 102 orphaned and marginalized children in a remote corner of northern Tanzania.

At the Rift Valley Children's Village (RVCV), we are giving children a second chance at childhood by offering them more than just a roof over their heads and a bed to sleep in. TCF is committed to supporting our children through every step of development until they reach fiscal independence.

In addition to providing legal guardianship to the children of RVCV, TCF operates an Early Childhood Care and Education Program and provides numerous scholarships to support

the bright futures of all children in our community.

Despite the challenges of 2020, we were still able to celebrate many milestones including 9 of our children graduating from secondary school and 7 of our young adults landing their first job! We feel very fortunate for the ways our family supported each other throughout the pandemic. It had been years since all 102 children were home for such a long period of time leaving us with a silver lining to be grateful for.

# Education

To revolutionize the standard of education available to children within our community, TCF partnered with the local government to co-manage Gyetighi Primary School (GPS) in 2007 and Oldeani Secondary School (OSS) in 2013.

TCF provides resources, employs educators, develops curriculum, expands campuses, and trains teachers to best serve students. Recognizing the transformational power of a quality education, we are committed to making education even more accessible for the children and families in our area.

During the 3 months of school closures in 2020, our education staff sprung into action to ensure 1,000 students received learning materials so they could continue with their studies at home. It was all-hands-on-deck once schools reopened to ensure students were receiving the support they needed to succeed. We are so proud that despite missing out on months of school, 100% of GPS Standard 7 students and 99% of OSS Form 4 students passed the all-important National Exam!

# Health

With the nearest hospital being over three hours away by foot, TCF established our Rural Community Health Clinic to provide our catchment area with free, quality and compassionate medical care.

In addition to treating patients at our health clinic, for those requiring more extensive intervention, we

facilitate care and cover all medical expenses for over 1,000 patients treated at FAME Medical each year.

In 2020, our Health Team provided care to over 3,500 community members, conducted preventative health screenings for 1,000 students, and medically cared for the 102 children who call RVCV home.

Our Health Program continued its important work throughout the pandemic. We extended our efforts to provide safety and wellness trainings, distribute PPE, ensure consistent care for our chronic disease patients, and guarantee access to medical care for our entire community.

# Rifty Economic Advancement Program

Our Rifty Economic Advancement Program (REAP) empowers over 700 local entrepreneurs with the funds, training and resources needed to launch and operate a small business.

REAP is generating much needed income for a community that has faced a staggering lack of economic opportunity.

With access to increasing loans, foundational business support, and programs like our Rift Valley Women's Group (RVWG) handicraft initiative, REAP is helping members build a better life and future for themselves and their families.

The pandemic created unprecedented economic hardships across the globe and our community was no exception. REAP members were heavily affected by the lockdown and lack of tourism. RVWG Mamas began making kitenge face masks and hospital gowns to meet local needs. To better support our REAP members, TCF eliminated interest fees. We have shifted our focus to providing continued training and successful loan repayment.

# A Letter From Our Treasurer

To our supporters and friends:

I am pleased to report that the Tanzanian Children's Fund (TCF) had another strong year in 2020. Despite the many challenges posed by a global pandemic, TCF received approximately \$2.4 million (\$2,400,084) in contributions and other revenues in Fiscal Year 2020. On behalf of the entire Board of Directors, allow me to say a resounding THANK YOU!!!

These funds allowed TCF to respond in a thoughtful and proactive way to the challenges posed by the COVID-19 virus. Among other steps, we responded to the ongoing crisis by:

- Investing in medical supplies and personal protective equipment in bulk to allow our Rural Community Health Clinic to prepare for COVID-19 surges
- Providing every student and teacher in our catchment area with new face masks
- Installing handwashing stations throughout the Oldeani region
- Safeguarding the 102 children of RVCV and over 1000 students at our partner schools through preventative health screenings
- Empowering our community of 10,000 with accessible and quality medical care

In 2020, our total expenditures in the U.S. and Tanzania were approximately \$2 million (\$2,011,441). Of that amount, approximately 86% (86.2%) was spent directly on programs in Tanzania, with approximately 14% (13.8%) of our expenditures allocated to general overhead, including fundraising.

I also am pleased to report that TCF was able to make a number of important investments in

our programs in Tanzania in 2020. Among the many positive developments to report, I want to highlight the following:

- Over 60 students were supported through a year of College or University
- 38 children enrolled in our Early Childhood Care and Education Program
- 100% of Standard 7 Students passed the National Exam, despite missing out on months of school due to pandemic-related closures
- Oldeani Secondary School ranked number 2 in the district for the first time in school history
- 2 residential spaces were constructed to support 45 students in our pilot boarding program at Oldeani Secondary School in 2021
- Over 3,500 patients were treated at our Rural Community Health Clinic throughout the year
- 730 small business were supported by the Rifty Economic Advancement Program during unparalleled economic hardship

Our Board of Directors continues to focus on the long-term financial health of TCF. We ended FY 2020 in strong financial condition, with approximately \$5.1 million (\$5,148,025.36) in our investment accounts.

The members of the Board and Directors of TCF are committed to using these monies to ensure the long-term support of the children at RVCV and in the Karatu region. On behalf of the Board of Directors and the entire TCF Community, thank you for making this all possible.

R. Todd Cronan  
Treasurer  
Fall 2021

# Financials

Revenue  
Total: \$2,400,084

**Corporations/Organizations:**

\$680,188.52 (28.3%)
